Hi Richard and Laurie,

I hope you are both doing well and staying dry. I wanted to let you know that we received an inquiry from a David Andrade who is interested in the vacant space on the corner of Selma and Wilcox where Little Fork was formerly located. He said that he co-owns Myke's Cafe in Pacoima and is currently shopping for a second location. I told him that I would reach out to you and see if you would be amenable to me forwarding him your contact information. He also said that I could provide you with his contact information.

Hi Chris

Nice hearing from you. The Little Fork is currently unavailable. We have plans for the building. If anything changes I will certainly let you know.

Thank you

Richard
